# Advanced Ways of Learning

## School Advanced E-Learning

### Computer Laboratory

We already installed 15 computer laboratories with 30 desktop computers for every building. It can accommodate every student in all blocks. The school was known for its advanced way of learning and interaction with students.

## School Events

### Monthly Events

The school offers events for the students every month. It consists of sports, camps, and museum travels. As the school believes that giving fun to students will inspire them about their studies and will give them inspirations about their bright ideas.

## Campus Security

As committed to continually help produce future bright leaders, Western Point Integrated School is also offering its high school department with high-caliber faculty and programs. It comprises as well with duly-accredited clubs and associations to help the students cultivate their social skills.

## Why Choose us?

We are a private school offering preschool and kindergarten, elementary, and high school educational levels. WPIS was founded in 2046 by the late philanthropist Dr. William G. Rosario. 17 years in the industry, the school has been enrolled with 380 students with now excellent professional careers.

## Discount Enrollees

**20% Off for a set of school uniforms for freshmen and new students.**

We encourage all the students to wear the complete uniform on the first day of school. We also like to welcome transferees to our neat and clean environment. The discount for new enrollees will also apply for their books and other fees.
